Hi Candy!

We received a phone call from a gentleman today who wanted to let us know how much he appreciates that the mass at St. Mary is televised. He has trouble getting out and is far more comfortable at home. Thought you'd like to hear a "thanks" for all your hard work.

Hello, We would like to come and visit your beautiful church.
My wife and I watch your services every Sunday morning.
She has trouble walking so We watch your services all the
time.

Would it be possible now that the weather is getting better
To send us a map where the church is located.
We live in Arcadia and like to drive up to attend your services.
Would it be possible to meet Father McCracken?

Thank you so much.

Dear Candace. We will try to make it for next Saturday.
My wife Mary will be 81 in May and has trouble getting
around.

So if all goes well we will be there next Saturday and still
gives us time to get home. She likes to sleep in her own bed.
Thank you so much for your kind invitation.
Nick.

from arcadia we send our love.

Hello Candace, Mary and I will not be able to make it this week. Mary is not feeling good. We will try to make it next week. God Bless you for your kind words.

Dear Father MacCracken,

On August 1 of this year I had surgery for the total rebuilding of my left knee, and, was homebound for about six weeks. Prior to this time, preparing to go to church, we had watched your program on TV before we left home.

During that six weeks, though, the Reserved Sacrament was brought to our home, we wanted the experience of being present at the celebration of the Holy Eucharist, as my wife and I watched the Mass from St. Mary's. We felt right at home now, having returned to

church, on Sunday, we are taking that part of the Service that includes your sermons, because both of us are so impressed, that we listen to them after we return home each

Sunday. Your parishioners are indeed fortunate to have such a wonderful Priest.

Enclosed is a small check made out to "Catholic Services Appeal", to assist in the continuation of this Ministry.

As soon as the condition of my knee will allow, (hopefully soon) I intend to return to the Altar to resume celebrating the Holy Eucharist myself.

Sincerely,

Fr. Ted Jowry - Retired Priest

Dear Father John,

You surely do still "Have it"/ Every Sunday we watch you and listen to you.

You are our direct connection to Jesus. Thru your caring words you helped us "see and feel", reaffirming again what we know and believe. If ever you doubt the effectiveness of these broadcasts —Don't !! I still have "goosebumps" thinking about your homily. Jim says " He just gets better every Sunday."

We live at Glen Eagle in Traverse City — a retirement home . When the weather is bad you are our direct connection to church, along with Deacon Rene from St. Patrick Church. He visits us during the week—reads the readings of the week and gives us Holy Communion. He is a very fine man and very devoted and faithful in providing this service to those of us who have difficulty getting to church.

It gives us such pleasure and comfort to see and hear you regularly/. We are reminded of our happy carefree days at St. James Church and Higgins Lake. Our daughter Lynne and husband Bob Frye still live at Higgins Lake—Cross —country Ski Headquarters. Our daughter Karen Grost Taylor and son Eric Grost live in Traverse City. (they tune into you occasionally also).

Life is good here — just different. Many of our new friends lead inspiring lives despite infirmity and are constant encouragement to us all — that God really does provide us with strength and hope to deal with life's surprises.

We thank you for your messages of faith each week—they truly recharge
our“batteries”~ We have enclosed a donation to support the Sunday Morning
television broadcasts from the Gaylord Cathedral.

Fondly,

Jim and Inge Grost
